Congratulations to all of our students who have worked hard at having good sportsmanship and keeping the peace. Getting along with the members of a team, and the members of a class, can be difficult sometimes. It takes patience, kindness and compassion to be both a "good sport" and a "peace-keeper". Congratulations boys and girls! Keep up the great work!

Students enjoyed our Christmas Carolling time on the last afternoon of school in December. A big thank you to our very talented teachers for leading this time together where we could focus on the celebration of Jesus' birth!

**South Point worships with South Shore!**

A huge THANK YOU to Tom Murray and all of the members of the South Point Worship Team who came to celebrate Jesus' birth with us during the last week of school before the break.

We all enjoyed it so much... even our bigger boys couldn't contain their dancing feet!

Thank you Grade 8's for treating us to a Bake Sale! Wow! We have some talented bakers here at SSCS! The treats were all delicious and proceeds will go towards the Grade 8 graduation trip.

## South Shore Community Helpers!

Our kindergarten classes have been enjoying learning about all of the helpers in our community. They had a great time dressing up as their favourite community helper.

Our JK's are learning their numbers with the help of something sweet! What a fun way to learn!

The South Shore staff is made up of devoted Christian educators that pour their hearts into teaching everyday. They deserved to relax and have some fun, and so they did at the first ever South Shore Staff Bowl-Off! Mr. V took 1<sup>st</sup>!
