

RAISE THE ROOF - SSCS

Dear Corporate, Business, Family and Friends,

Nov 12/22

As we approach the end of 2022, we want to thank the many supporters of South Shore over the years, but especially the past year when we were blessed to acquire the old Mill St school building.

South Shore Christian School has just completed 17 years as a non-denominational, Bible-based, Christian elementary school from JK – Grade 8. Our mission is to provide an excellent learning environment that honors God and provides opportunities for our children to develop and openly practice their faith and to feel free to be excited about being Christian children.

SSCS is a not-for-profit, charitable organization relying strictly on tuition, donations and fundraisers. We know this time has been challenging to say the least, but God has always been good. Once again, we are in need to fundraise for a great cause!

Your help is needed.

South Shore Christian School has been blessed to have strong community support from generous donors as yourself. Now, more than ever, your financial commitment will allow SSCS to continue its' ministry to children.

So why support us? South Shore is a local ministry. We are educating and ministering to future doctors, carpenters, lawyers, social workers and the list goes on and on. Your help secures the future of this school.

This year we are “raising” funds to achieve a goal of \$400,000 through our Raise the Roof Campaign. Raise the Roof will allow us to restore the roof, replace exit doors, finish our windows and hopefully allow us some funds to continue our hands-on teaching of construction technology.

There are several ways which you can help us achieve this goal.

- ✓ Pray for our school continually
- ✓ Become a monthly pledge donor
- ✓ Become a yearly pledge donor
- ✓ Give a one-time donation

Please consider one or more of these options to help us continue this local ministry of educating our future Christian leaders.

On behalf of the South Shore Christian School Family, thank you for your generosity.

Sharon Pepper
Administration - SSCS
